

THREE DISTRICTS IN THE COUNTY FOR SUNDAY MOVIES

**Sellersville Also Approves
Sports on Sunday
in Borough**

DR. FLOOD IS ELECTED

**Sellersville Tax Collector Is
Chosen By A Majority
of One Vote**

The voters of Sellersville Borough gave their approval to Sunday sports by a vote of 714 to 259 and Sunday movies carried the borough by a vote of 673 to 300.

The closest fight in all of Bucks county Tuesday turned out to be staged in Sellersville, where Lloyd A. Hoagey, Republican, defeated Harry E. Barndt, Democrat, for Tax Collector, by one vote, 491 to 490. Barndt is the present incumbent.

Hoagey, a son-in-law of State Representative Wilson L. Yeakel, of Perkasie, is a former well known high school and college athlete.

Doylestown township approved Sunday movies by a vote of 350 to 189. Richland township also approved Sunday movies 235 to 122, and 162 to 139 in the Lower and Upper districts respectively.

Dr. John A. Flood, of New Hope, former Democratic county chairman and one time Burgess of that borough, was elected Burgess yesterday, when he defeated his Republican opponent, H. Lee Jones, 330 to 256.

The remainder of New Hope went Republican.

In Ringelsville, Raymond Phillips, registered No Party, defeated Frank A. Delp, for the office of Tax Collector, by a margin of 128 votes to 64. Phillips polled 128 votes as No Party candidate, while Delp polled 64 Republican votes and 26 Democratic votes.

In Quakertown, Bucks County Sheriff H. Raymond Ahlum, who retired from office this year as Sheriff, was elected Tax Collector by a vote of 1062 to 977 over his Democrat opponent, former County Commissioner Clarence E. Benner. By wards the Ahlum-Benner vote was as follows: 1st Ward, 211-229; Second Ward, 329-359; Third Ward, 172-191; Fourth Ward, 310-198.

ONE MAN'S OPINION

**By Walter Kierman
(Distributed by International
News Service)**

A strange case is reported in Malaya of a man who has been married 31 times in 8 years and is still living.

He claims he gets a marriage and divorce complete for \$3.60 . . . or this is just a trick to cut prices in Reno.

But if it is so, Malaya sounds like the place for a fellow who has \$12.50 a year to plunge on excitement.

All this has been going on quietly while television has been showing us pictures of sheep-shearing in Australia.

I see J. Arthur Rank has threatened to stop making movies unless he can do as well at the box office as his government does at the tax office.

And he can be excused for his resentment . . . he's not paying James Mason to look romantic for Sir Stafford Cripps.

CLEANED BY SCRIBES

Mrs. William W. Fabian, of Newtown, has been presented a certificate of appreciation in recognition of service she gave the American Red Cross over a period of more than 25 years. The certificate bears the signatures of several high ranking officials of the Red Cross.

The certificate was accompanied by a 25-year pin presented by the Southeastern Penna. Chapter.

Mrs. Fabian's record of service began in 1918, when she became a charter member of the organization here. She was awarded a diploma for completing the first aid course in 1918, and for two years she took a prominent part in making surgical dressings. The following year Mrs. Fabian helped can fruit and vegetables, and for several years was a director of the public health nursing service here. It was at that time that the nursing service was connected with the Red Cross.

She became secretary of Newtown Red Cross and finally became chairman, a position she held until 1939, when, through re-organization she was relieved of the chairmanship and became vice chairman.

Mrs. Fabian held this office until 1945, when the Newtown branch was consolidated with six other branches in the lower part of the county. This became known as the Lower Bucks County branch of the Red Cross.

BURGESS IS RENAMED

MORRISVILLE, Nov. 10—Despite an unusually heavy Democratic vote in Tuesday's election at Morrisville, Republican Mayor William Burgess Jr. defeated Dr. Alex A. Krosnick, Democratic candidate for Burgess, by an almost two-to-one majority. Unofficial returns gave Burgess, who has been mayor for the last 12 years, a total of 1,375 votes to 739 for Dr. Krosnick.

Local Republicans received a setback, however, when Nicholas Mislan, president of the Morrisville Democratic Club, defeated Robert A. Habel in the Fourth Ward race for borough council. A total of 198 votes was polled by Mislan, while Habel received 153.

Results of council contests in the other three wards: First Ward, William E. Anderson (R), 377 votes; Thomas J. Kane (D), 199 votes; Second Ward, Albert C. Greco (R), 237 votes; Edward J. Mullen (D), 169 votes; Third Ward, Theodore H. Evans (R), 627 votes; Francis Gorski (D), 197 votes.

Morrisville's popular ex-police chief, Harry F. Christ, (R), received more votes than any other local candidate when he defeated W. Stull James, local contractor, for tax collector. Christ polled 1,768 votes to 376 for James.

Republican School Directors Theodore A. Hansen and Paul J. Taylor, incumbents, defeated Mrs. Lillian Titus and Mrs. Irene S. North, Democrats, Hansen received 1,489 votes; Taylor 1,283; Mrs. Titus 629, and Mrs. North, 673.

URGENT MEETING

Bristol Terrace Girls club will hold a meeting this evening in the Community Building, at Terrace No. 1 at 7:30. Important business to be discussed.

THE BRISTOL ELECTION

As a result of Tuesday's election, Bristol Borough will turn over a new leaf with a bang next January 2.

For the first time in the recollection of most citizens, the Borough government will pass almost completely into the hands of Democratic officials.

The Municipal Building, with all its various departments excepting that of the tax collector, together with Borough Council and the Bristol School Board, will be controlled by Democrats.

The change comes at a time when large-scale overhauling of Borough facilities, such as the water and sewer systems, appears to be inevitable. Many serious problems will face the incoming administration as a result.

The Democrats won decisively in a record-breaking turnout of voters brought to the polls by the bonus issue.

As a matter of fact, the polling was about as nearly 100 per cent of the qualified voters as is ever possible to produce.

Many opinions will be expressed as to the exact factors which produced the Democratic victory. The most conspicuous feature of the voting, aside from its size, was the extremely large amount of ballot "cutting" which went on. The percentage of those who recorded a straight party vote for either the Republican or Democratic tickets was far smaller than in any preceding local election.

The Democratic Administration will come into office next January 2, first Monday of the new year, when, according to the statutes, the oaths of office are administered and the new council organizes.

The division of Republicans and Democrats in Borough Council, according to their past affiliations, will be exactly even—nine to nine. The nine Democrats who will sit are: Foster, Roche, Eagan, Smoyer, Ferry, Pascale, DeLissio, Kryven and Duffy. The following are listed as Republicans: Winter, Byers, Lynn, Myers, Wallace, Gosline, Wichser, Aita and Riley. Of these, the last two were supported also for their re-election by the Democrats.

If at the time of re-organization, or on any subsequent roll-call, council should divide on party lines and the result be a tie vote, this tie would then be broken by the new Burgess.

This fact, coupled with the further power possessed by the Burgess of vetoing council's ordinances and thereby overruling

ANDALUSIA LUNCHEONS

CORNWELLS HEIGHTS, Nov. 10—Bids for replacing of water pump at Bensalem township high school building were opened last evening when the directors of the district held their November meeting. The directors will continue study of the bids, however, before awarding contract.

Bid of Henry Hallowell, Bethayres, was accepted for seeding the baseball infield at Hansell field.

The entire membership was present, with Robert B. Vansant presiding. Four members of the board had been re-elected to their posts on Tuesday, two for incomplete terms and two for full terms.

A resolution of thanks was drawn up for Bensalem Rotary Club which provided side-line capes for use of the football squad. The board received monthly reports from the school doctor, dentist and nurse. Compulsory attendance report showed one first offender, with necessary notice served; and a hearing held for a second offender. With parents delinquent in payments for private tuition pupils, two students were excluded from sessions of school until payment is made the board announced.

**Irvin Cross Explains Work
At Newportville
Plant**

PLANT IS INSPECTED

PENNDDEL, Nov. 10—The Bucks County Lincoln Highway Kiwanis Club listened to a very interesting story on the manufacturing of tapestry by Irvin Cross at the dinner meeting held on Tuesday evening at the Royal Gardens.

Irvin Cross, the treasurer-elect of the club for 1950, told his fellow members that he worked as a textile employee for 14 years and then started his own tapestry business in Newportville. At the present time he has four looms operating and there are six altogether in the plant. According to Mr. Cross, the tapestry business is not an intricate affair, it is relatively simple. They buy warp yarns and send them to dye houses for coloring; followings this they are sent to the beamer.

Patterns and designs were also explained and exhibits of various patterns were displayed. Following the discussion of tapestry by Mr. Cross, there was an inspection tour of his plant.

Donald Weeks led the community singing, accompanied by Doris Millikin at the piano. Joseph Law gave the invocation prior to the meal.

President Sauterby asked for a report from the committees on the essay contest, "It's Fun to Live in America," which is now under way in five of the local grammar schools.

William S. Erwin, chairman of the program committee, told the group of coming programs. On November 15th, Richard O. White, superintendent of the Pennsylvania Salt Manufacturing Company, will familiarize the club with the salt business. This program has been arranged by the public affairs committee. On November 29th, there will be an interesting program on "Stock Cars." A prominent speedster will be present at the meeting.

Legion Past Commanders Enjoy Dinner and Movies

The past commanders of the Robert W. Bracken Post, No. 382, American Legion, held an annual dinner and meeting at the home of the Bristol Elks last evening, with 17 past commanders and the present post commander present.

Those present were: Jacob C. Schmidt, Jr., I. J. Hetherington, John H. Brehm, John Rafferty, Arthur F. Zug, Robert Clark, Jr., William Mack, Samuel H. Conklin, William Griffiths, Charles Rathke, Marvel Durham, William DeVoe, Frederick Bryner, Harry A. Chapin, Howard Boyd, Martin J. Healey, Lawrence McCoy and Raymond Klepczynski.

Following the delicious and filling dinner, the past commanders held their meeting, combining serious business with hilarity and fun.

Past Commander I. J. Hetherington, who has been the president of the Past Commanders Association for the past year, opened the meeting. The immediate past commander, Lawrence McCoy, was then initiated into the past commanders association, with fitting ceremonies, by that inimical past master of initiators, Charles Rathke, assisted by Past Commanders Zug and Conklin. The present post commander, Raymond Klepczynski, was properly installed as the secretary of the association, for the coming year.

Past commander, John H. Brehm, was installed as the president of the association for the coming year and past commander, I. J. Hetherington, was retired.

Following the meeting, the past commanders all returned to the post home, where they were shown colored movies of recent state and national conventions in Philadelphia and Miami.

THURSDAY, NOVEMBER 10, 1949

ARMISTICE DAY

It will be recalled how the end of World War I was celebrated prematurely because it had been reported mistakenly, four days before November 11, 1918, that an armistice had been signed. The nation's eagerness to have an end to conflict was reflected later in the prevailing expectation that there would not be another war. Now, 31 years later, and after a Second World War victory, apprehension grows as to how—and if—another conflict, possibly fatal to civilization, can be avoided.

All wars in history have been followed by the ecstasy of victory and subsequent disillusionment. The significance of military achievement tends to dim with the mounting shadows of postwar problems, superimposed on the costs of war. The ideal is weighed against the material and people feel cheated of due enjoyment of the fruits of victory.

This invariably appears true to an extent; yet the greatness of nations has grown in proportion to their acceptance of incalculable sacrifice as the cost of preserving liberties and ideals. Thus the nation's surviving are eternally indebted to their war dead. Let no one discount or fail to appreciate America's place in the world today. For that our country's heroes have paid with their blood.

The world can have an armistice from war-making only insofar as it puts the ideals of civilization above opportunist considerations. The higher and lower natures in men are ever engaged in conflict. The pattern is apparent in all the struggles of human society. The destiny of civilization is ever in the balance.

Peace must be won as wars have been won, with a reeducation of the human spirit to the right. Those who will not accept that standard imperil the security of nations and make impossible peace on earth.

Mindful of our faithful fallen, we need to keep their faith by living in the consciousness of the brotherhood of man under a paternal Providence. This is the sum of our security. When we bow in memory of our departed heroes on Armistice Day, we bow to Him who has preserved us and ever will preserve us if we keep His word.

them unless a two-thirds majority (twelve votes) overrides him, insures the Democrats control of council.

In the case of the School Board, the reorganization will take place December 5. The new set-up will result in a Democratic majority in the school board of four to three.

Except for the staff of the tax-collector, and some positions which may be construed as protected by civil service, the Democratic majority will control all appointments and dismissals to posts in the borough government.

These positions mainly are under Councilmanic Committees. One of the principal powers of the President of Council is to appoint these committees and designate the chairmen.

While there has been no announcement by the Democrats for their choice for the presidency, it was reported that the man they have in mind is John Smoyer, 3rd, who was elected to council from the sixth ward two years ago.

The Child Who Lags at School

By GARRY CLEVELAND MYERS, P.D.

By this time you may have received the first official report of your child's progress at school. It may have on it some symbols indicating roughly how your child has been doing in each of his school subjects. Or there may be some short statements indicating in what subject or subjects, or in what direction in behavior or citizenship he needs to improve.

If there are figures or letters which you interpret to mean that your child is excelling at book learning you feel good and probably brag about this report among your friends. If these symbols on the report card indicate to you that he is lagging in his lessons you probably say nothing about it to your friends, but show the child your strong disapproval and command him to have a better report next time. Perhaps the father repeats like exhortation later. And if there are more than one child and one of them has a good report you will be tempted to engage in cruel comparisons in the presence of the lagging child.

Feel Self-Righteous

Such procedure may make you parents feel self-righteous and important and help you get some anger off your chests. But what effect will it have on the lagging child? Will it cause him to study harder from now on? It rarely will. More often it will so discourage him that he will not have the heart to strive. He may suppose, indeed, that he never can do better at books and that he has a terrible time ahead

for the rest of this school year.

What, then, should you do? Try to find out from his teacher or teachers what his specific learning troubles are and how you can help him improve where he has lagged. Expect the teacher to tell you more than that he is "lazy" and doesn't work hard enough. Such an answer is useless and silly.

If he is too far up in the grades or high school for you to be able to help him with his lessons at home, you might observe his home study habits and how regularly he goes at his homework. In some instances you might consider it wise to require him to be home on nights before school and go at his lessons at a regular time and place suited for study. You might also consider finding, with the help of the school, a teacher to guide him as he studies, for several evenings a week.

Lags in Reading

This youth might find some help in my bulletin, "Tips for Students" (to be had in a stamped envelope sent me in care of this paper).

If you try to help your child at home with his lessons the most important thing for you to do is to get your own emotions under complete control so you never raise your voice or even feel stirrings in your insides. The moment you find yourself a bit vexed you should walk away as unfit to be in the child's presence when he is trying to learn. My bulletin, "Parents and the Child's Homework" may be had in the usual way. More on this to follow.

ANDALUSIA

Mr. and Mrs. Francis Rossbauer celebrated their 25th wedding anniversary on Saturday. In the afternoon they attended the U. of Pa. Va. football game, and their children entertained them at dinner in Philadelphia, then an enjoyable evening seeing "The Student Prince." Those in the party besides the guests of honor were: Mr. and Mrs. Richard Rossbauer, Eddington; "Betty Ann," Kenneth and William Rossbauer. Samuel Brackin, who recently suffered a severe heart attack, is still confined to bed but is recovering nicely.

The women's Auxiliary of Torresdale Manor Improvement Association recently entertained children of the manor at a Halloween party at the home of Mr. and Mrs. John Ferguson. The children enjoyed "hot dogs", rolls, cake, cookies and candy and prizes were awarded for costumes and an evening of games was enjoyed.

Mrs. John-James has returned home after an operation in Nazareth Hospital, Philadelphia.

Mr. and Mrs. Howard Sidell, Germantown; and Mr. and Mrs. Homer Quay, Phila., and Mr. and Mrs. Robert Brackin, Alrexel Hill, were Sunday visitors with Mr. and Mrs. Samuel Brackin.

Mr. and Mrs. Richard F. Brackin entertained 49 guests last Saturday evening at a "doggie" roast on their lawn. The group was from Yale and Towne Mfg. Co. where Mr. Brackin is employed.

Mrs. Austen O. Larson, Jr., and twin sons, Gordon and Richard, have returned by plane to this country after making several months' visit with Mrs. Larson's parents, Mr. and Mrs. Porch, in England. Mr. and Mrs. Larson and sons have moved from Andalusia to take up residence in Eddington. Raymond Ferguson was recently a patient in Nazareth Hospital, Phila., but has returned to his home.

ST. FRANCIS WINS OVER PEMBERTON IN EASY STYLE

PEMBERTON, Nov. 10 — The St. Francis Junior Varsity team, of Edgington, registered a 13-0 triumph over Pemberton Junior Varsity yesterday.

The St. Francis lads scored in the second and fourth quarters. The second period TD was the climax of a 90-yard drive which ended with Ed Francis passing to Adair for the touchdown from the 7-yard line. Previous to that Francis had caught a pass on the Pemberton 45 and ran to the 7 before being spilled. Hagan added the extra point on a pass from Francis.

Wicks, center for St. Francis, intercepted a Pemberton pass on the home team's 45 and ran for a touchdown in the last quarter.

Francis had a perfect day in throwing passes for Brother Anthony's team, completing 11 out of 11.

Consider Goal, Animal Shelter for Bristol

A meeting of Bristol branch of Bucks County S.P.C.A. was held Tuesday in the municipal building with the president, Mrs. James Patton, presiding. Treasurer's report was given by Mrs. Schneider.

The membership chairman, Mrs. Thomas Walsh, reported seven new adult members and three new junior members received. She urges that all who love animals, join in this Crusade against cruelty to such and reminded that every membership means that the Bristol branch is that much nearer its goal. A shelter for Bristol.

The organization, calling to the attention of the public that at present, announces there is only one authorized agent in this county and asks that those wishing to contact him call, Mrs. Charles Sanford, Bristol 5459, Bristol's humane chairman.

This is announced as national "Cat Week".

A spring music festival is being planned, with Mrs. Thomas Walsh, as chairman. Memberships, and contributions from lovers of animals, will help the branch to obtain a shelter and the equipment needed to carry on this work, it was stated. The next meeting will be held on Dec. 13th in the municipal building.

Mrs. Frances Tomlinson, 242 McKinley street, Bristol, was granted a divorce, upon payment of costs, from her husband, Norman Tomlinson, of the same address. They were married Sept. 30, 1937, in St. Mark's Catholic Church, Bristol.

President Judge Hiram H. Keller signed a decree in the matter of the incorporation of New Hope-Solebury Community Association, New Hope. There is no real estate but the personal property consists of \$20,500 in the Solebury National Bank.

Gus Williams, colored, of Morrisville, who has been in prison since Sept. 22, was released today. He pleaded guilty to a morals charge and was placed on probation for one year. Because he had been in jail longer than his minimum sentence, he was released by the court. Both President Judge Keller and Judge Biester are hearing plea guilty cases.

Several Activities Are Planned by Aid Society

HULMEVILLE, Nov. 10—The 22 women who assembled at the home of Mrs. Samuel Everitt, Middletown township, for the business and social meeting of Neshaminy Methodist Ladies' Aid Society on Tuesday evening, outlined plans to prepare and serve supper on two evenings to the evangelistic workers, guest ministers, and others during the special week of services connected with the "Advance for Christ." The Aid will serve supper on two evenings; the Young Adults two evenings; and the adult choir one evening.

One new member, Mrs. Funk, was welcomed into the group.

A quilt, made by aid members

some time ago, was sold to Mrs. G. A. Japchen, who informed she will present it to Mrs. Boyd Omand, of Honolulu, T. H., former president of the aid. A commercial demonstration is being planned for next spring.

The aid planned a Christmas party for members at the church, also made arrangements to conduct a party for unfortunate children at Fifth Street Methodist Mission, Philadelphia, distributing gifts and serving refreshments during an afternoon at the Yule season.

During the social hour members took pleasure in viewing the heirlooms displayed by the women. Miss Mary Everitt, Middletown township, received first prize for antique gold earrings shown; and Mrs. Christian Tomlinson, Langhorne, second prize for display of old pictures and the

Cross, of which she at present is a delegate.

Santa will be ushered into the county seat this holiday season with all the gaiety of a North Pole festival. Plans were thrown into high gear, Monday, by the Doylestown Civic Club to open yuletide festivities for youngsters with their first Doylestown children's Christmas parade. Santa will arrive in that borough in a whirl of confetti and lollipops, floats will represent numerous businesses and community organizations with prizes given for the finest float and costume entries.

Charles E. Gallagher, chairman of the project committee, announced that Charles W. Truescott and William A. Lehman had been chosen as co-chairmen for the parade.

William E. Knauss will serve as secretary and treasurer for the project.

Heading parade committees are: traffic arrangements, Assistant District Attorney Donald Vanarsdalen; music, J. Paul Nuse; commercial floats, children's and group entries, Joseph H. H. Robert Dunn and L. David Springs; parade route and organization, William A. Lehman; finance, Christian H. Miller; church and church groups, Edward E. Dettrey; art and decoration, George Carver; prizes and judging, Philip Elkin; publicity, Herman Silverman; school participation, Allen P. George; scouts, Richard J. Knauss; color guard and military participation, William H. Niece;

Rummage Sale, Dinner, Other Events Planned

The November meeting of Mothers' Association, Bristol public schools, was held last evening in the high school cafeteria, with Mrs. Walter Cooper presiding.

A committee was appointed, with Mrs. Arthur Phipps, chairman, to decide on rules and regulations for the senior essay contest. Action was taken on a joint rummage sale with the Fathers' Association, to be held in the near future. Plans were discussed for the Christmas dinner to be held December 14. It was decided to serve baked ham instead of turkey. Mrs. Russell Crosby and committee will have charge of the kitchen; Mrs. Louis D'Ottavio, the dining room; and Mrs. Herbert Hanson, the entertainment. Each is asked to take a gift valued at 50 cents. Reservations are to be made to Mrs. Crosby, phone 5927; or Mrs. William Boyd, 3581; or Mrs. Cooper, 5436, not later than December 7th. Mrs. David Neill was appointed chairman of a committee to arrange

HIGH SCHOOL TEAM PLAYS THE OWLS HERE SATURDAY

Bristol High and Bensalem Township High will settle their football differences Saturday afternoon on the local gridiron in a Lower Bucks County League contest, starting at two o'clock.

The Warriors and Owls deadlocked for the Lower Bucks County crown last season but never got around to playing a tieoff game to decide the championship. The loop was made up of four teams then but is now composed of seven teams.

The standing to date find Bensalem unbeaten in league competition and one tie. Bristol has played two circuit games and split.

On the other hand, Bensalem is tied with Langhorne for the league leadership with 7 points each. After Saturday's tilt, Coach VanHorn's team has but one more league game, meeting Langhorne High on Thanksgiving Day morning. Bristol will meet Pennsylvania and Morrisville in circuit games in the next two weeks. Bristol must win all of its games for a chance at the title.

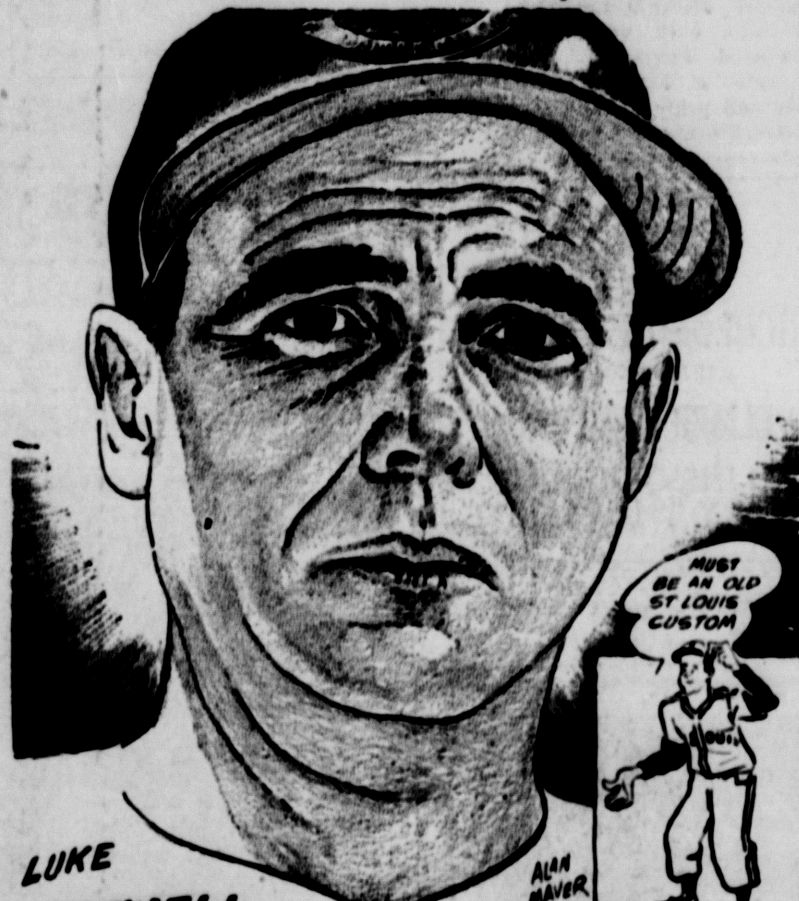

The Owls are in a midst of a four-game winning streak, having beaten Morrisville, Southampton, Pennsylvania, and Lower Moreland in the order named. Previous to that Bensalem won over Doylestown, lost to Mt. Holly and Pennsylvania School for Deaf and tied Council Rock. Its record is five wins, two losses, and a deadlock.

Bristol has captured five games, beating Hattboro, Bridgeport, Council Rock, St. Francis, and Burlington. It lost to Langhorne, Trenton Catholic, and Conshohocken. It scored its greatest triumph in several years last Saturday when it came from behind to beat Burlington in the "Little Brown Jug" contest. Saturday's contest will be decided on whether Bristol will be able to stop "Eddie" Oliver, star quarterback and handler of the ball on the "T" for Bensalem. One of the best ball-throws in scholastic ranks, Oliver has consistently pitched during the past two seasons. Bristol stopped "Bill" Hutton and Blair Decker last week and in order to entertain hopes for a triumph, it must stop Oliver.

Bensalem's line will have its troubles in attempting to stop the pass-heaving "Bill" Condit who has reached the height of his career in recent weeks. Condit, a senior, was at his best when he tossed those three touchdown passes against Burlington and also when he heaved the long pass which eventually gave the Warriors a touchdown against Langhorne.

"Bill" Moll, injured in the first running play against Burlington,

The Bristol Basketball League held its initial meeting of the season last night in the Diamond Sporting Goods Store, Mill Street. Five of last season's teams were represented.

The circuit will play its games on the Rohm & Haas floor on Wednesdays and Sundays. Representatives last night decided to raise the franchise fee from \$50 to \$100 which must be posted at the next meeting.

The group will begin its work on

the rules and regulations at the meeting next week.

Teams and their representatives were: Franklin, Bert Barbetta and James Whyne; Tullytown, Dick Anderson; Hibernians, Peter Harkins; Rohm & Haas, Raymond Berger; Fifth Ward Sporting Club, Seddie Caro.

Officers from last season present were: President, Joseph Diamanti; advisor, Thomas Juno; and treasurer, Anthony Castor.

Word was received that the Profy team will enter the circuit while no word was received from St. Ann's or Morrisville.

HOLLYWOOD — (INS) — Lassie, the movie dog, got \$3,000 per week for wagging her tail and barking at the audience during a recent eastern personal appearance tour.

**Sausage Combinations,
Breakfast, Lunch, Dinner**

Sausage—link or bulk—is a conventional choice for snappy day meals. It's easy to prepare, and its spicy rich flavor has a winning way of appealing to keener fall appetites. Serve it for breakfast some days, lunch or dinner on other days, suggests Reba Staggs, home economist.

In the morning hours the aroma of cooking sausage links brings a hearty response to breakfast. They're especially pleasing in a menu with French toast, maple syrup and hot baked apples.

For other meals in the day, form bulk sausage into patties. Brown them slightly to bring out their flavor, then arrange the patties over

creamed noodles or scalloped corn, apples, potatoes or onions and bake in a moderate oven (30 degrees F.) for about 45 minutes, or until sausage is done, and vegetables are tender.

Sausage pie in deep dish form is another main dish designed to please every member of the family. Brown bulk sausage patties, make a smooth cream gravy with the drippings and add vegetables such as potatoes, carrots and peas to the gravy. Arrange the browned patties in the casserole, cover with the vegetable gravy and bake in a moderate oven (350 degrees F.) for 30 minutes. Increase oven temperature to 400 degrees F., cover with biscuit dough and bake 1 to 15 minutes or until lightly browned and cooked through.

Isn't America A Wonderful Country!

All over the world today there are people teaching bitterness and hate.

Here in America we have learned to live together in friendship.

For us here at A&P, it has been a wonderful and thrilling experience to get from those with whom we compete day after day such astounding evidence of friendship and respect.

The things that have happened since the anti-trust lawyers from Washington brought suit to destroy A&P have amazed us.

While we sincerely believed that we had earned the friendship of millions of consumers for whom we have provided better food at lower prices, and the friendship of millions of farm families for whom we have provided a better market for their produce, we were not prepared for the avalanche of offers of support.

But most of all, we have to confess that we had underestimated

the fine sportsmanship of many of our competitors all over the country.

Can anyone believe that these competitors would rush to our defense if, as the anti-trust lawyers allege, we had been trying to put them out of business?

We and they have fought hard for business.

There are nearly 350,000 individual grocers competing with us. They have a larger share of the nation's grocery business today than they had ten years ago or twenty years ago.

Many of them do as good a job as we do, and they make it plenty tough for us.

Now, day after day, these same competitors are letting us know that they are in our corner.

All we can say is, thank you from the bottom of our hearts.

Isn't America A Wonderful Country!

**Who
hollered
for
Uncle?**

Who wants him to break up A&P?

COULD IT BE INDEPENDENT GROCERS? Doesn't seem likely. In ten years America's independent storekeepers almost tripled their business. In 1938 they did just under 5 1/2 billion dollars worth of food business. Last year the independent storekeepers handled over 15 billion dollars worth of food.

WHOLESALE GROCERS? Hardly. For many of them are directly or indirectly engaged in or supporting some form of voluntary or cooperative chain to match chain economies.

THE EMPLOYEES? That would be funny—except that some folks probably believe it. Actually, less than 25 years ago many food chain stores could have paid all expenses—rent, heat, light, wages, etc.—out of the money a store manager alone gets paid now. And the store manager of 25 years ago would have been happy to get what a clerk gets today.

PRODUCERS? Well, take farmers. Certainly part of their prosperity must be attributed to the markets that big chains create for them. The big chains buy the entire pack of many a canner. Those canneries pick the farmers' crops. What would the farmer do with his highly perishable crop if the food chains were eliminated as big volume buyers?

COMPETING CHAINS, MAYBE? No. Practically every chain in the grocery business had more sales last year than the year before. One chain that we know a lot about increased its food business 21% last year and is up 10% in the first eight months of this year.

THEN IT CERTAINLY MUST BE THE PEOPLE! Like fun. If the people hated food chain stores, would they have spent 9 1/2 billion dollars in them last year? Folks like the low prices and high standards of chains—and the better the chains are run, the better folks like them.

Does This Sound as Though We Need Help? Therefore Super Markets came into existence 10 years ago. The food chains therefore replaced were doing about three million dollars worth of business a year. Housewives liked our policies well enough to boost their purchases in our 90 stores to about 30 million dollars a year.

We call that a vote of confidence. And we're going to keep right on proving that as long as we stick to good brands and better-than-average selections at rock-bottom prices, we can compete with anybody in the business. And keep right on growing, too!

★ ★ ★

We don't believe any chain will be punished for being efficient, or for pleasing housewives as well that it is forced to grow.

We, too, believe that it is a storekeeper's duty to bring the public the best food at the lowest possible prices, and hope to see the chain store way of doing business vindicated.

And as long as the producers, the employees, the customers, the wholesale grocers, the independents and the competing chains thrive so well, we will continue to think it's a good way to do business.

PITTSBURGH, PA

**We Don't Want the A&P
Put Out of Business**

The owner of the undersigned store is an independent merchant in this community. We run our own store, set our own prices, maintain our own policy. We consider the Great Atlantic & Pacific Tea Co. as a chain store. Because they are a chain they give us stiff competition. The competition offered by the A&P keeps us on our toes. The Department of Justice has brought a suit against the A&P claiming that the A&P is a monopoly. Whether it is or not we are in no position to judge.

What we do know is that the A&P doesn't do all of the grocery business in this area. We are here and ready to serve local customers.

WE DON'T WANT TO SEE THE A&P PUT OUT OF BUSINESS.

The A&P is keeping food prices down; we in turn keep our prices down; and that helps us to sell more goods.

**KUGLER'S
SUPER - FOOD MARKET
PHILADELPHIA, PA.**

**I Welcome
A&P Competition
BECAUSE**

• • • • • Like myself, many hundreds of independent grocers got their start with the TEA COMPANY.

• • • • • The great A&P is not detrimental to the progress of the grocery business. On the contrary, A&P has always been friendly to any open-minded businessman who believes in FREE ENTERPRISE. Founded on the principle of FAIR PLAY AND FAIR PRICES, A&P developed from a humble start to its present commanding position in the field of retail merchandising.

• • • • • My experience as a former employee of the TEA COMPANY has served me well. I attribute my success to the ideas and methods tried, tested and proven by the A&P stores—at a great cost.

• • • • • A&P upholds the rights and privileges of a good worker. I know this from personal experience. A&P is ever on the lookout to promote sincere and ambitious employees to trustworthy and important positions and has never crossed the efforts of any employee to enter into business for himself. A&P helped me to start in business . . . IS THAT AN ACT OF A COMPANY MONOPOLIZING THE GROCERY BUSINESS? NO!

A&P taught me to serve the public BETTER—MORE ECONOMICAL and MORE EFFICIENT, thanks to the start given me by B. F. VINSON.

• • • • • During the depression of the thirties, A&P paid higher wages than any other chain. A&P has striven to keep up the standard of living in this country. I shudder to think what would happen to its 110,000 employees if it was forced out of business.

• • • • • I am not afraid of A&P competition—I welcome it. It's democratic—it's the American Way.

**We Agree
With A&P**

Yes, we want our A&P competitors to stay in business on their present scale because we know what it would mean to the American people without them. We are only one store and are striving to serve our community with good food at low prices, but the A&P is a nationwide organization serving the American people everywhere with good food at low prices.

Destroying the A&P would mean eliminating competition nationally in the food field which every poor man knows consumes the major portion of his salary.

We congratulate the A&P for a job well done. Keep up the fight.

We welcome any fair competition which helps us bring lower food prices to the consumer.

**SCHWEGMANN

**A COMPETITOR'S OPINION
of
The Great Atlantic & Pacific Tea Co.**

The self-styled "trust busters" of the government recently made headlines as a result of a move to destroy the A&P.

Frankly, we don't like it.

A&P is charged with having control of SOME of the production and processing ends of the food business. As a result, they can sell foods at low prices.

So What . . .

And if monopoly of the food business is charged, that sure hands us a laugh. We . . . at P.M. are growing like wildfire. Seems like we're able to sell better foods at better prices.

Your increasing patronage of our stores is positive proof that A&P has no monopoly on the food business. Let's get down to good old American horse sense. A&P is doing a good job of serving the people of this country. They're no bogey men. We are for them 100% in this controversy.

**The Anti-Trust Suit Against
The Atlantic & Pacific Tea Co.**

This suit is another threat against our great American system of free enterprise. The A&P Co. has always been clean, above board competition and any successful independent merchant, if he is honest, will admit that they have taught him a great many things regarding merchandising, reducing overhead, better buying, etc., thus lowering food costs for the great American Public.

NEWS OF INTEREST TO PA. FARMERS

By Ed Hauck
(L. N. S. Penna. Farm Editor)
HARRISBURG, Nov. 10—(INS)—Over \$50,000 will be offered in prizes for farm products and contest winners at the Pennsylvania Farm Show here January 9-12.

The premium lists detailing entry requirements and awards in 24 departments established by the Farm Show Commission have been mailed to farmers throughout the State.

The huge farm exposition is expected to attract more than a half million visitors from practically every state and from Canada, South and Central America and Europe.

State Secretary of Agriculture Miles Horst said, since its founding in 1917 the Farm Show has drawn more visitors each year.

"The Farm Show in Pennsylvania is designed to demonstrate the importance and great diversification

of Pennsylvania agriculture, the 13th in the nation in value of farm products," he said.

The hundreds of stalls lining the huge Farm Show building will be filled with nearly 10,000 competitive exhibitions of outstanding farm crops, livestock, poultry and the handwork of farm women and girls, according to officials' estimates.

Scores of contests and activities and annual meetings of more than 20 State-wide farm organizations will feature the 1950 show.

Evening programs will include skilled demonstrations of horsemanship by the Pennsylvania State Police, a rural talent festival, State championship contests in horse pulling, horse shoe pitching and log sawing and a parade of livestock.

"In addition to serving as an incentive for economic improvement

of Pennsylvania agriculture, the Farm Show is a valuable asset to the advancement of all business, industry and commerce in the commonwealth," Horst said.

The premium list for the show is as follows: Horses, \$3,550; sheep, \$4,280; swine, \$2,947; beef cattle, \$7,998; dairy cattle, \$15,511; dairy products, \$202; corn, \$511; small grains, \$270; potatoes, \$379; tobacco, \$253; apples, \$242; edible nuts, \$92; vegetables, \$556; maple products, \$185; apary products, \$782; wool, \$190; eggs, \$480; poultry, \$8,560; dressed turkeys, \$120; baby chicks, \$12; home economics, \$2,452; horse shoe contest, \$65; log sawing contest, \$75; 4-H potato grading contest, \$308; State school demonstration contest, \$600; State contest of school exhibits, \$590; and horse pulling contest, \$500.

Plenty of high quality pasture throughout the season is one of the most important factors in the success of any livestock enterprise, the Pennsylvania State College Agricultural Extension Service advises.

Your county agent has a new circular ready for distribution on starting new pastures and improving old ones.

TRAFFIC FATALITIES DECLINE IN PENNA.

According to Comparison of
Figures For Eight
Months Period

32 LESS THAN IN 1948

HARRISBURG, Nov. 10 — The State Bureau of Highway Safety today announced that traffic fatalities had declined in Pennsylvania in the first eight months of this year in comparison with the same period of last year.

In the first eight months of this year there were 976 highway traffic fatalities as against 1008 in the same period of 1948, a net decline of 32.

In 1949 total includes 596 rural deaths and 380 urban fatalities. For the same period of 1948 the total included 590 rural deaths and 418 urban fatalities, the net decline of 38 in urban deaths offsetting an increase of six in rural fatalities and bringing the statewide figures to a total of 32 less than last year.

The total for August, the latest available, show 127 highway deaths in Pennsylvania against 148 in the

same month of 1948. The 1949 total includes 86 rural and 41 urban against 102 rural and 46 urban in August 1948.

August pedestrian fatalities included 18 rural and 27 urban for a total of 45 against 25 rural and 26 urban for a total of 51 in August 1948, a net decline of six.

Pedestrian fatalities for the first eight months of 1949 are 411 against 422 for the same period of 1948. The totals include 171 rural and 240 urban this year against 171 rural and 251 urban in the first eight months

of 1948, a net decline of 11 all in urban areas.

The Bureau stressed the figures for the three-day Labor Day week-end this year, pointing out that there were 13 fatalities this year

against 26 in the corresponding three-day period of 1948, a reduction of 50 per cent. The 149 fatalities include 11 rural and two urban deaths against the 1948 figures of 16 rural and 10 urban deaths.

Here we present
another of the New
DUMONT SETS!

DUMONT
First with the finest in Television

DuMont's new Plus-powered chassis

In addition to the Life-size tube, the Mansfield also has the new Plus-powered chassis, specially engineered to get the best possible reception under the worst possible condition. The following DuMont developments enable it to give excellent reception far beyond the ordinary limits, and in areas of bad interference.

More Tubes for better performance. This DuMont chassis has 29 tubes, 6 rectifiers plus the cathode ray picture tube—a total of 35.

Narrow Band Sync-Amplifier keeps picture steady. A new system—exclusive with DuMont—of screening out interference which causes the picture to jump or roll over. Such interference often comes from such sources as automobile ignitions, neon signs or electrical appliances. Gives a very steady picture even where there is a weak signal and high interference.

Automatic Gain Control holds even brightness. Even if the station signal strength fades, your picture holds its brilliance. In spite of fluctuations in the incoming signal, Automatic Gain Control feeds it to the picture tube at a uniform level.

Voltage Stabilizer guards against fading. A special power transformer which delivers uniform voltage to the video and audio circuits, even when the voltage in your electric light line goes up or down.

Local-Distant Selector for better distant reception. Adjusts circuit to correct for differences in station signal strength. In Local position it gives the best possible reception of strong or near-by stations. In fringe areas, the Distant position greatly improves reception from stations with a weak signal.

Bottom-coupled Inputtuner increases sensitivity. This is an improved form of the DuMont Inputtuner which gives more sensitive tuning and helps to eliminate interference. It is a high-precision instrument electronically operated so that it does away with most of the troublesome switch contacts. It gives continuous tuning over the entire wave band areas assigned to television and FM radio.

The DuMont Mansfield • Life-size television • Plus-powered chassis • FM radio • Plug-in for record player

\$645 Installation and Service Optional

Over and over we've heard this same question, "When will there be television pictures that are really big and clear?"

Now we have the answer to that question. The new DuMont Life-size 19-inch tube has a direct-view screen of 203 square inches—as big as you would want in any living room. And the picture on that huge screen-face is as sharp and fully detailed as a good photographic enlargement. We don't see how anybody could ask for anything better!

SPORTSMEN'S BRIEFS

BY JOE ELBERSON

Hunting dates . . . raccoons have been legal to hunt since November 1st, but they could not be trapped until November 10th. Woodchucks are not in season, and will not again be until July 1st, 1950.

The last day for woodcock and dove hunting was November 8th. Bears become legal next Monday, November 14th and the season runs through November 19th.

Opportunity . . . If you would like to see how your fishing license dollar is expended by the Fish Commission, be on hand at Silver Lake next Monday morning at 9:30. A truckload of yellow perch is scheduled from the Torresdale Hatchery at that time for stocking in Silver Lake, Maple Beach and the Canal. This will probably be the last load of fish for delivery to local waters this year.

Closed counties . . . a Pennsylvania Game Commission official announced that to date Forest, Bedford and Clarion Counties have secured the required number of petition signers to officially abrogate the 1949 deer season, December 10th, in those counties.

Shoot . . . the New Jersey State Championship flyer shoot is scheduled for this Sunday over the traps of the Bucks County Shooting Association, Chalfont, Pa. Practice shooting from 9 to 11. Match starts promptly at 11:00 a. m. Shooters welcome. Shells, lunch and refreshments available on the grounds.

Early season duck hunting . . . it has been reported from sections of Pennsylvania that are favored with good migratory bird hunting localities that the opening days of the 1949 season produced good shooting.

The native duck population showed up well and storms in Canada had by then driven a considerable number of ducks and geese into Pennsylvania. It is anticipated that duck and goose shooting will improve with additional flights from the north as the season advances.

The number of first-day hunters has increased, indicating additional interest in waterfowl. The take of ducks and geese on the opening two days was reported considerably greater than for the same period last year.

Small game notes . . . from L. R. Stackhouse, Deputy Game Protector, come these observations on small game in this area: "Fewer hunters aided opening day this year than on opening day last year. . . . Approximately one pheasant killed to every four men in the field, and approximately 1 rabbit to every three men . . . shooting improved last Saturday . . . rabbits should show up more as the cover decreases . . . still pheasants left in this area."

Rumor . . . There may or may not be any truth in the story that is touring the area to the effect that a powerful realty interest is laying the groundwork for legislative action in 1951 whereby the Canal from Bristol to Morrisville will be sold to this private interest. Can't seem to put my finger on any factual evidence at this writing to substantiate the charge, but I know my friends who have the Canal in the forefront of their minds (particularly in Bristol) will no doubt be able to enlighten me on the matter.

Nominees . . . here are the men nominated at the November meeting of the Bucks County Federation of Sportsmen's Clubs for action at the January meeting:
For president, Charles Wetherill (Incumbent and unopposed); vice-president, Allan Woolf; treasurer, John B. Fetterolf (Incumbent) and Edward Halderston; secretary, Shelly Meyers (Incumbent) and Franklin Howes.

Experiment . . . this Fall the Pennsylvania Game Commission is for the first time experimenting with releasing only cock pheasants in pheasant cover, just prior to and during the small game season. Releases are being made where the natural propagation and normal stocking program is not adequate to care for the excessive gun pressure.

Her pheasants formerly released in late Summer and Fall are being held by the Commission for spring release, eliminating winter losses and assuring hunters that the hens will be in wild habitat at the proper time to rear birds for the 1950 hunting season.

Shoot . . . turkey shoot this Sunday at Newportville Rod & Gun Club. Also practice bluecock shooting starting at 1 p. m. Everyone welcome.

1949 BOUNTY PUTS-A TURKEY IN EVERY POT

Pre-Holiday Check Shows Supplies For Thanks- giving Good

PRICES TO BE "RIGHT"

By John Booth
(I. N. S. Staff Correspondent)

WASHINGTON, Nov. 10—(INS)—A pre-holiday check on supplies of Thanksgiving Day goodies shows today that 1949's bounty is large enough to put a turkey in every pot, and stuffing in every citizen.

Good news for budget-wise householders is that this year's crop of turkeys is a near record making it almost a foregone conclusion that the price will be right.

Seems that high prices commanded by the extremely short 1948 crop encouraged many newcomers to enter the turkey production field.

At the moment, the outlook is less bright for the small family's turkey platter. Most producers ap-

pear to be taking advantage of low feed prices to fatten their birds to medium and heavy weights.

This could well mean scarcity in the midst of plenty—that is, there might be fewer small turkeys than the market demands with the light weights commanding premium prices.

Gourmets with a preference for light meat will be interested to know that improved strains of broad-breasted turkeys, in both heavy and light weights, are reaching the market in substantial numbers this year.

As for prices, officials expect wholesale and retail trends to follow the pattern set at the producer level. Currently the farmer is getting about 31 cents a pound for live birds compared with 47 cents last year.

But one wholesaler remarked sagely:

"You can't tell what will happen to prices when the Thanksgiving rush starts. There's going to be a scramble for small birds."

With the respect to the traditional Thanksgiving trimmings, cranberries are plentiful in both

fresh and canned form with prices running below the 1948 season.

Nuts, including walnuts, almonds and filberts, are in larger supply than last year. The crop of pecans may be smaller, but prices of all four major tree nuts are expected to be under last year.

Supplies of celery, sweet potatoes and onions are expected to be more than adequate. Nobody bothers to keep official tab on pumpkin production so the prospect for holiday pie-making can't be forecast accurately.

Agriculture Department home economists are offering a seasonal suggestion that the harvest-time feast carry less emphasis on starchy foods and more on healthful salads and green vegetables.

One vegetable they'd particularly like to promote is broccoli.

These same economists, foresee-

ing the housewife's annual day-after problem, offer other helpful hints in a special bulletin listing 20 ways to use left-over turkey.

Tired Kidneys Often Bring Sleepless Nights

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
